

## IEEE - PSES Hong Kong Chapter

### *Inauguration Meeting & Technical Seminars on Product Safety Engineering*

The Hong Kong Chapter of IEEE Product Safety Engineering Society has been officially formed in 2009. In this inauguration meeting of the Chapter, our founding Committee members will share their views and experiences on Product Safety Engineering in three technical seminars.

The fundamentals, standards and regulations of product safety and *EuP*, commonly interested to the industry will be presented in the seminars.

<b>Venue:</b>	<b>LT- 11, Academic Building, City University of Hong Kong</b>
<b>Date &amp; Time:</b>	<b>6 June 2009 (Saturday), 9:45am – 12:15pm</b>
<b>No. of Attendance:</b>	<b>Limited to a maximum number of 80, Pre-registration is required.</b>

*\*Interesting parties, please send your name, company name, contact number, email, and IEEE membership no.(if any) to our secretary, Horace Lau,(Email: [horace.lau@ieee.org](mailto:horace.lau@ieee.org)) to reserve a place.*
